
Pr Olivier Clément, MD, PhD

Curriculum Vitae

Olivier Clément
57 years

POSITION TITLE : Professor of Radiology, Hôpital Européen Georges Pompidou, and University Paris Descartes

Prof Address

Service de Radiologie
20 rue LEBLANC, 75015 PARIS

Tel :

+ 33 1 56 09 38 00

Cell :

+ 33 6 87 77 95 41

Mail :

olivier.clement@aphp.fr

A: EDUCATION/TRAINING

Doctor in Medicine, UFR Paris-Ouest, 1990

Specialist in Radiology-Medical Imaging, 1990

Diplôme d'Etudes Approfondies en Imagerie Médicale, University Paris V, 1989

Masters in Statistics, University Paris XI, 1993

PhD in Medical Imaging, Université Paris V René Descartes 1994

Habilitation à Diriger les recherches 1996

B: CLINICAL RESPONSABILITIES

- Chairman of the Imaging Informatics and Clinical Research Department (chef de Pôle)
- Chairman of the Department of Diagnostic Radiology, Hôpital Européen Georges Pompidou

Former Hospital Positions

Residency : Ancien interne des Hôpitaux de Paris (concours 85)

Research Fellow at the University of California, San Francisco (1990-1991)

Assistant hospitalo-universitaire (1991-1993)

Department of Radiology, Hôpital Boucicaut. Faculté de Médecine Necker

Chef de clinique – assistant (1993-1995)

Assistant professor Praticien hospitalo-universitaire (1991-1993)

Service de Radiologie, Hôpital Boucicaut. Faculté de Médecine Necker

C: CURRENT RESEARCH ACTIVITIES

- Responsible of the Laboratoire de Recherche en Imagerie (Laboratory for Imaging Research) Inserm U 970. Research interest in molecular, functional and cellular imaging with iron particle labeling.
- Responsible of the Platform for Small Animal Imaging (MRI) at Paris Descartes University, located at the Paris Cardio Vascular Research Center at Hospital Pompidou, rue Leblanc Paris. It comprises 4.7 T MRI and MicroPET. Platform member of the Paris center node of the France Life Imaging Infrastructure project.
- Responsible of a National Multicenter clinical study on the exploration of allergies to contrast media (CIRTACI study, PHRC 2003)

D: APPOINTMENTS

- Member and expert of the Marketing Authorisation Commission of the AFSSAPS (JO du 22-04-2000)
Expert at the French Agence du Médicament (AMM and Transparency) 1997-2000
- Member of the Revision Advisory panel 1995-2000, Diagnostic agents, nonradioactive, USP (United States Pharmacopeia)
- Chairman of the CIRTACI (working group on Contrast Agents of Société Française de Radiologie), who released recommendations on the use of contrast agents (2000- present)
- ESR representative at the Health Care Professional Working party of the EMA (2013- present)
- European Medicines Agency (EMA) Member of the Scientific Advisory Group on Contrast agents
- Member Board Collège des Enseignants en Radiologie de France (2008-2015)

- European Society of Molecular and Functional Imaging (ESMOFIR) President (2014-2016)
- European Society of Molecular Imaging (ESMI) Board elect member (2014- present)
- Chairman, Task force on Contrast Media, European Society of Radiology (2013-present)
- Research Committee chairman , European Society of Radiology (2016-present)

Reviewer and Advisory Board of Scientific Journals

- Reviewer for Radiology in the field of Contrast agents since 1991
- Associate EDITOR for Radiology 2001- 2003
- Reviewer for Magnetic Resonance Imaging, Journal de Radiologie, Journal of Magnetic Resonance Imaging, Investigative Radiology, European Radiology

E: SCIENTIFIC PUBLICATIONS

173 scientific papers (Pubmed) in the fields of :

contrast media safety / molecular Imaging / cellular Imaging / new probes
